Knowing when to put your recycling bin out is as easy as 1 – 2 – 3.

1 Find your week. Check the map to find the week your recycling is collected.

2 Know your day. Recycling is collected on the same day as your garbage.

3 Still not sure? Check ‘Services Near Me’ on our website or call us on 8290 1333.

PUT THESE IN YOUR RECYCLING BIN

REMEMBER

Give items a quick rinse to get rid of any food or liquid waste.
Always place recyclables loosely in the bin – never in a plastic bag.
